

Happy "Spring" Neighbors!

March 2025

...using the term Spring loosely though as SNOW is predicted here for Saturday! Carrying on with this update from the board though with optimism that warm sunny days are ahead.

Paving & Road Work

We've begun discussions with Patterson & Sons on timing and scope of this year's repair and paving work. We usually try to schedule this for May. As soon as we have a firm date, we'll let you know. If anyone needs driveway paving, reach out to them directly for the work to be coordinated. You'll be billed separately:

Sam Patterson & Sons: 207-594-3092 <https://www.pattersonandsonpaving.com/>

For unpaved roads, fixing the holes and possible power raking is needed. Likely that work would be done as we get into warmer weather. Stay tuned for updates on that.

Observing the Speed Limit (15 mph)

Please remember that the speed limit on Farnham Point roads is 15 mph and take special care to go slowly on the portion of Farnham Point near East Boothbay Landscaping. If you have contractors working on your property, would you please alert them to this too? We don't want that speed bump to get any higher!

Hole at Farnham Point Rd & Rte 96

Most of you are aware of the deep sewer hole at the base of Farnham Point Rd and Route 96. After Bob Cross and Byron Cortez reached out to the Maine DOT last fall, the DOT marked up the pavement and said they'd likely work on it "before the snow". That time has passed and the hole has expanded over the winter. Our efforts continue to get the DOT to address this and Jeff DeMauro of East Boothbay Landscaping has been in touch with them as well. Meanwhile, please use caution when driving northbound on 96 -- especially while making a right turn onto Farnham Point Rd.

Annual Maintenance Fees

Thanks to all of you who got your maintenance fees in so quickly this year. It really helps with planning and budgeting and, let's face it, hounding neighbors for money is no fun!

Annual Meeting -- Save the Date

Saturday, July 26 at 10 am

East Boothbay Fire House

Likely followed by a potluck picnic at the cove.

Save travels to those of you who will be soon returning to Farnham Point for the summer!
