

May 2026

Happy Spring Neighbors!

Despite some foggy days, the daffodils and budding trees are the promise of a summer ahead! Here are some things to note and dates to save.

Road Paving --

In 2 weeks or so, Patterson & Sons will pave Farnham Point Road from where they left off last year near Fish Hawk Hill Rd and work their way down the hill towards the "Y". As soon as we have a firm date, we will send out an email so you can plan accordingly. If you need any paving work on your property, feel free to reach out to them directly and they may be able to coordinate your work while they are here.

Spring Clean Up - Saturday, May 30 at 8 am (rain date Sunday, May 31).

In the spirit of many hands make light work, please join us at the common area/Little Cove for the Spring Clean Up. There's not too much to do as Tim Gallagher has been busy chipping away at some bigger debris down there. But bring your rakes, gloves, chainsaws, loppers and anything you think we could use to get our common area in shape. We especially welcome pickups and trailers in case we must do a dump run or two.

Caution at the Common Area/Little Cove

Please be aware that a portion of the shoreline at the common area near the bench has eroded. You'll see a small caution sign at the spot where you should refrain from standing at that edge. Please make any renters and guests aware of this as well. As always, use of the cove and common area is at your own risk.

FPA Annual Meeting & Potluck-- Saturday, July 25 at 10 am

As usual, this year's annual meeting will be held at the East Boothbay Fire Station. We have new members to make official; the 2026-2027 budget to ratify, and the election of board members. (Volunteers to serve always welcome!) At the beginning of July, you'll receive the official announcement and accompanying materials plus a proxy form if you can't attend. Shortly after the meeting, we'll meet at Little Cove for a potluck picnic -- always a fun and delicious afternoon.

Speed Limit – 15 MPH

Sunny days give us all a little burst of energy, but please observe the neighborhood speed limit of 15 mph. Remind renters, guests and contractors too!

Annual Maintenance Assessments

Thanks, one and all for the timely payment of the annual assessment. Happy to report all are paid in full!

Cheers! The FPA Board of Directors
